

## **Mine Planning Engineer (Short Range)**

**New Gold Inc. (NGD:TSX/AMEX) [www.newgold.com](http://www.newgold.com)** is developing one of Canada's emerging large-scale underground block-cave mining operations, the New Afton Copper-Gold Project located only 10 km west of Kamloops, BC.

Our employees create a dynamic, supportive team that strive to make a difference in their workplace and are dedicated to making a significant contribution to the development of an exciting, new mining operation - The New Afton Mine.

We are seeking applicants for Mine Planning Engineer with a focus on Short Range planning. The responsibilities of this role include short term scheduling, mine design, mine planning, ventilation planning and monitoring, and regulatory compliance. A key part of this role is the communication of daily and weekly requirements between the Technical Services and Mine Operations departments as well as progress measurement and reporting. This role requires teamwork to achieve goals set by management.

Qualified candidates have 3 to 5 years experience in underground mine engineering, a mining engineering degree, and eligibility for professional registration with the Association of Professional Engineers and Geoscientists of BC (APEGBC) or have an equivalent combination of education and experience. Experience in 3D Design Software and strong skills in MS Office programs are also necessary. Experience in underground mining methods (block caving or other), the ability to be a strong team player, willingness to learn and excellent interpersonal skills will also be considered an asset.

We offer a competitive salary including bonus incentives and a comprehensive benefits package.

Kamloops is a city of 80,000 people, located 350 km east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own University and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and the vineyards of the Okanagan Valley.

Interested candidates are encouraged to submit a cover letter and résumé outlining their experience and qualifications. Please quote **Job #: 2010-005** in your application to:
